MedicAlert Connect Protect

gives police the information they need to keep your loved one safe.

HOW IT WORKS IN AN EMERGENCY

Prince Albert Police will:

LOOK for 'MedicAlert' on the ID to confirm it's an **authentic MedicAlert ID**.

READ the vital information on the back.

CALL police communications operator to gain access to the wearer's identity information, caregiver information, wandering history and up-to-date photo.

Enjoy added peace of mind with
MedicAlert Connect Protect service.
